

Christmas vocabulary Part 1

**It's Christmas time:
the most wonderful time
of the year!**

**This season is all about
tradition:
making ginger houses,
decorating our
households and, most
importantly, spending
time with the
people we love.**

For some families, it's a religious holiday which might include activities like **building a manger** or **attending Christmas mass.**

Some families and friends are excited to get together, share a holiday meal, and give each other presents under the Christmas tree.

In Chile, children
sometimes **go out at
night looking for
Santa Claus**, and then
**open their presents on
Christmas Eve!**

In the USA, children go to sleep on the 24th, **set out cookies and milk for Santa Claus**, and wake up on the 25th to the tree full of presents!

What traditions do you have? Do you celebrate other holidays, like Hanukkah or Kwanzaa? Let us know!
